

## **Digital Crowdmapping Competition Mapping UNESCO Heritage Sites**

## **Terms and Conditions**

- Art 1. The **Promoter** is the Water Resources Research and Documentation Center (**Promoter** or WARREDOC) of Università per Stranieri di Perugia whose registered office is in Via Scortici 2, 06123 Perugia, Italy.
- Art 2. The **goal** of the Digital Crowdmapping Competition Mapping UNESCO Heritage Sites (Competition or Project) is to:
- 1. Produce **digital maps of UNESCO Heritage sites** using **Open Data** and any geospatial and ancillary information freely available
- 2. Create original content for "telling a story" about UNESCO heritage sites putting the "User experience" into a GIS digital map
- 3. Merging the content and **digital maps** of the Competition to produce a large scale digital **integrated** map of the world heritage
- 4. Promote the interaction and knowledge/experience exchange of the Competition in the form of a **virtual working group**
- Art 3. The **competition is open** to students, young professionals, researchers and scientist and **anyone** that is willing to join the Competition contributing to achieve the Project **goals**.
- Art 4. The official web page of the Project/Competition is http://warredoc.unistrapg.it where all the official information, documents and any news is published with specific regard to the page <a href="http://warredoc.unistrapg.it/open-call-crowdmapping-competition-unesco-heritage-sites">http://warredoc.unistrapg.it/open-call-crowdmapping-competition-unesco-heritage-sites</a> (Official/Project web page)
- Art 5. There is **no entry fee** and no purchase is requested to enter this competition. It is requested to apply to join the competition by using the application form available at <a href="http://warredoc.unistrapg.it/open-call-crowdmapping-competition-unesco-heritage-sites">http://warredoc.unistrapg.it/open-call-crowdmapping-competition-unesco-heritage-sites</a>. By entering the competition, any participant is indicating his/her agreement to be bound by these terms and conditions.
- Art 6. The **Promoter** will provide to the participants a "publisher" account to join the ArcGIS Online **virtual working group** to achieve the expected **goal** as stated in art. 2. All stored/products files/projects must be shared as public. This Publisher/Arcgis user account gives access to participants to the ESRI technology with specific regard to the ESRI Arcgis Online and Pro software. It is intended that the ESRI license(s) provided by the WARREDOC shall be used by participants only for the development of the project/product to be submitted for the competition. Nor further personal/professional use is permitted.
- Art 7. The **technical specifications**, guidelines, tutorials as well as Frequently Asked Questions (FAQ) are provided to participants in different forms to understand the minimum/optimal requirements of the final products by means of specific documents that are published on the project web page. Questions and further assistance can be addressed to the **Promoter** by emailing your request at warredoc@unistrapg.it.

- Art 8. Closing date for entry will be **September 15**<sup>th</sup> **2016**. Final products (Digital maps) shall be delivered by **October 15th, 2016**.
- Art 9. The **Promoter** reserves the right to cancel or amend the competition and these terms and conditions without notice. Any changes to the competition will be notified to participants as soon as possible by the **Promoter**.
- Art 10. The prize is as stated and **no cash or other financial alternatives** will be offered. The **Promoter** is not responsible for inaccurate prize details supplied to any entrant by any third party connected with this competition. The prize of the competition is as follows:
- 1. A **Professional Certificate** provided by the **Promoter** (Competition Participation Certificate). The Certificate will be given to all participants meeting the minimum technical requirements as stated in art.
- 2. The best three awardees will be provided a special certificate ("Best Projects" Award) and the three best projects will be published in the official web page using dedicated web pages with a specific mentions to the authors;
- 3. The best three awardees will be invited to **present their project at the UNESCO WWAP/WWDR**Symposium event that will be held in Perugia on October 25th 2016
- 4. Further prizes may be eventually provided by supporting/sponsoring entities (**To be announced on the Project web page**)
- Art 11. The verification of the technical requirements and the nomination and adjudication of the prized will be the subject of the **Competition Jury** that will identify the best three projects following predefined evaluation criteria based on objective analyses as much as possible.
- Art 12. By entering this competition each participant is indicating his/her agreement to be bound by the above mentioned terms and conditions assuring the Promoter that the published content is original and providing to the Promoter <u>full redistribution rights</u>. Stated that the intellectual property of the submitted material belongs to the author(s), participants asserts that the presented material/products are original and have been independently produced granting the Promoter the unconditional, irrevocable, royalty-free right to use, publicly display and/or modify in any way without limitation. Any material/project/product/data that is not produced by the participants or that violates patent, copyright, trademark is ineligible to be used. The Promoter declares that the authors of the published projects will be always provided the proper credits by inserting a *Credits* section in the project web page.
- Art 13. *Disclaimers*: No liability or responsibility is assumed by the Promoter resulting from the applicants participation in or attempt to participate in this Competition.

I hereby declare that I have read and understood the above mentioned articles and I agree to the terms and conditions of the WARREDOC Digital Mapping Competition.
